Dear Class of 2010,

You are the promise of the future and as you move forward in your lives, pursue your goals and dreams. As William Shakespeare writes in Hamlet, "We know what we are, but know not what we may be."

With best wishes for success,  
Dr. Kathleen Montagano  
Superintendent of Schools

Dear Class of 2010,

"Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

~Attributed to Mark Twain, unconfirmed

The diploma you are receiving from Dighton-Rehoboth Regional High School is indispensable for your success. New goals and objectives can now be set and reached for the next stage of your life's work. At college, university, work, or the military your next accomplishments should reflect another journey toward your hopes and dreams. As your principal, I have watched you grow into young adults. I am quite aware that many of you have struggled and juggled many

responsibilities during the past four years of high school including personal challenges. I hope you will continue to maintain the balance between your obligations and responsibilities and the joys of your new life experiences.

You are ready and able to throw off the bowlines and sail away from here—your safe harbor of Dighton-Rehoboth. Travel, celebrate and appreciate the diversity and cultural richness of the world you are about to enter. I wish each and every one of you the best the world can possibly offer. Remember to always work hard, take care of others as well as yourselves, and most of all, to "Explore. Dream. Discover."

Sincerely,  
Ms. Van Buren  
Principal

Congratulations Class of 2010!

Always remember: "What lies behind us and what lies before us are tiny matters compared to what lies within us." (Ralph Waldo Emerson)

Jennifer Wordell  
Assistant Superintendent

Assistant Principal

Some may find it fitting that I offer the words of Ralph Waldo Emerson on which you can reflect as you open this yearbook in the years to come. "Do not go where the path may lead. Go instead where there is no path and leave a trail."

In our four years together, it has been a privilege to watch so many of you leave your marks on the classrooms, studios, labs, and athletic fields of Dighton-Rehoboth like so many before you. I look forward to hearing of your endeavors and successes, as you venture towards excellence in all your future plans. Full speed ahead, excelsior!

Mike Rubin

The graduating class of 2010 has so much potential- you all will go far in life, whatever you choose as your endeavors. Please be assured that it has been my pleasure to work with you and get to know you. You have shown great maturity, humor, and persistence in the attainment of your goals. Your balance and ability to stay focused are obvious; you will be missed here at DR. Take care of yourselves and each other and don't forget to come back and say hello!

Ann Palmer  
Assistant Principal

To the class of 2010;

My warmest congratulations to you all! You have made it! You are on your way! Be kind to people, always do your best and remember, "Education's purpose is to replace an empty mind with an open one." ~ Malcolm Forbes

Debbie Sarrey  
Director of Guidance

You have brains in your head.  
You have feet in your shoes.  
You can steer yourself in any direction you choose.  
You're on your own.  
And you know what you know.  
You're the person who'll decide where to go.

# With Thanks and Best Wishes

The Class of 2010 would like to thank the following retirees for their dedication to Dighton-Rehoboth Regional High School. Your positive influence over the years will always be remembered in the hearts of your students and fellow colleagues. You will be missed, and we wish you all a wonderful, well-deserved retirement!

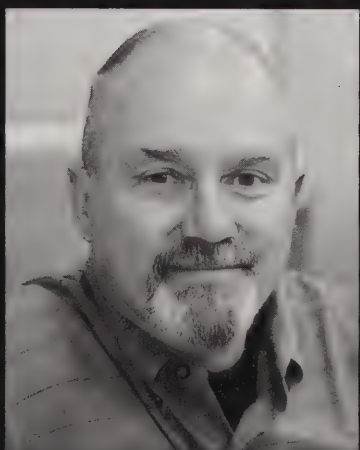

Ms. Sharon Araujo

On April 21, 1972, I was hired as a secretary in the Principal's office at Dighton-Rehoboth Regional High School. A year later, I replaced the office manager and have been performing those duties, as well as many others, ever since. For the first 25 years, very little changed in the way of secretaries, administrators, and faculty, and we were very much like a family raising children and sharing our joys and sorrows. We were a young faculty and staff, growing up together. I have worked for three building principals and five superintendents. I have been here through all of the building renovations and four NEASC accreditations. I have prepared the commencement ceremonies for 8,537 seniors. In addition to working here for 38 years, I was a student here for four. To say it will be difficult to retire is an understatement. I will need to be re-programmed! Even though I will miss you all, it is time.

Ms. Judith Brown

In the 33 years that I have taught at Dighton-Rehoboth Regional High School, I have been honored to be in the presence of many heroes. Look around you. These heroes may be subtle. These heroes may appear ordinary, but we can all learn from the extraordinary courage in their simple, yet noble acts. I feel blessed to be witness to what you have taught me.

Mr. Glenn Davis

One doesn't choose a profession; it chooses you. Being a product of the seventies, I was an idealist wanting to paint my way through life as an "artist." Teaching made me a realist. Working with students, cooperating with colleagues and maneuvering the politics of education make for thirty eight years filled with passion and excitement. If I had to do it all over again, I would pick teaching again with no regrets.

Mr. Leon Sibielski

Congratulations and best wishes to the class of 2010. May your future be filled with many challenges, lots of discovery, and much happiness.

## Season Summary:

The 2009 Dighton Rebooth Football team finished the season as undefeated SCC champions at 8-0, and with an overall record of 9-3. The versatile offense was led by a balanced running and passing attack. Hard-running fullback Tyler Berry accounted for 10 rushing touchdowns while quarterback Brett Croteau tossed 15 touchdown passes, 11 to split end Brian Espinosa. Strong blocking from offensive lineman, Anthony Souza, Bryan Duffy, and Nate Sprague allowed the offense to flourish. The biggest improvement with the 2009 team was its stingy defense. Lineman Mike MacDonald, Nick Garnett, Mike Morais, and Shane Caito made it difficult for opposing teams to run against. Safety Mike Goulden led the pass defense with 5 interceptions. The Thanksgiving Day 20-6 hard-fought victory over Seekonk capped a truly memorable regular season.

The 2010 season looks very bright with the return of a solid group of promising players. If everyone works to raise their level of play another notch we should be a real threat to once again gain the SCC Championship. The six seniors conclude their four year tenure with the soccer program with an overall record of 63-14-6 and three SCC Championships. The entire group served as excellent role models for the younger players. They represented themselves, their school, and their community extremely well.

With a demanding summer training program in 2010, the young team can be among the region's elite teams in 2010 and should compete with every team in the state favorably.*

### Season Summary:

*The girls spring track team continued its run of excellence in 2010, finishing the regular season with a 7-1 record and capturing the South Coast Conference Championship meet title for an unprecedented third consecutive year. The single loss, by one point to Old Rochester, helped motivate the team to the SCC meet championship, which saw the Falcons' school history, having won more than 30 meets in its four years. The efforts of the seniors helped push a talented group of underclassmen to new achievements, featuring new records in six relays, including the all-state 4x100 relay. The team will miss the Class of 2010 greatly but is confident that the returning underclassmen will continue the successes of the program into the future.*

## Season Summary:

The Lady Falcons made a return to the states this year as 5 SCC teams were in the MIAA playoffs. The tough conference schedule made it necessary to win 3 of the last 4 matches to qualify and they came through with a big 3-2 victory over Fairhaven. Senior captain, Sam Silvia, made the SCC All-Stars while holding down the number one singles spot. First year senior, Sadie Gosselin, was a nice addition and the number two singles slot, receiving SCC Honorable Mention, while senior captain, Alyssa McCarthy, was the mainstay at number three singles. Alyssa also had two wins at number two, was the team SCC Sportsmanship winner, and also garnered a D-R Sportsmanship Award at the All Sports banquet. Finishing fourth in the SCC (8-6), the team was led by the SCC All-Star doubles team of Kelsey Donaldson and Suzie Newman. Come from behind wins by Sam Silvia and Sadie Gosselin propelled the team to a 4-1 decision over Silver Lake in the playoffs, with our journey coming to an end against the extremely powerful number one seed, Hingham.

## Editor's Page

First, I'd like to thank my staff, Ms. Siachos, and Ms. Corey for all of their hard work and dedication. Without them this yearbook would never have been completed. My last four years have been filled with people, experiences and memories that I will never forget. Thank you all for making these years unforgettable!

These are some quotes that will forever remind me of D-R and all of the people in it:

"And some people seem to think that I've changed  
That I'm different than I was back then  
But in my soul, I know that I'm the same way  
That I've really always been" - Mississippi Girl, Faith Hill

"They say life is so much sweeter  
through the telephoto lens of fame  
around here you get just as much attention  
cheerin' at the high school football game" - Famous in a Small Town, Miranda Lambert

"I hope you never look back but you never forget  
All the ones who love you and the place you left  
I hope you always forgive and you never regret  
And you help somebody every chance you get" - My Wish, Rascal Flatts

Congratulations and best of luck to everyone!

Allison Gruber  
Editor

Here in the yearbook closet, we like to keep it short and sweet. I want to use this space to honestly thank all of the teachers, friends, classmates, and family who have helped me and inspired me through the past 4 years. To my friends, I'll never forget the laughs, the car rides, or the reckless nights—thanks for being a part of them. To my family, thanks for hanging in there and always helping me keep my head up. To the cheerleaders, we started at states and ended there—it just goes to show you how far determination can get you. You'll always be my sisters. And to the class of 2010, I hope you can flip through this yearbook and remember some great times we had growing up together. Good luck and congratulations!

Holly Grota  
Assistant Editor

To the Class of 2010,

Who knew that these past four years would fly by so fast? I sure didn't. As you look through this yearbook I hope it brings back all those good memories we all have shared together, including the times you have shared with friends and the teachers who have influenced you. I wish you all the best of luck in your future endeavors. My friends I will miss you dearly. Stay in touch.
